

FOR IMMEDIATE RELEASE

Chicago, May 20, 2007, Getagripchicago.com is pleased to announce the launch of their newest venture, socialeventclub.com managed by Mary Sargent.

Socialeventclub.com is a social networking club established for young professionals, singles and couples of all ages to network, mingle and connect. Socialeventclub will host monthly themed parties and events at different venues (bars, clubs, restaurants, coffee shops, etc) and locations on the north side.

All of our events will involve food, fun, raffles, games, challenges, and the chance to learn something new – careers, starting a small business, . For example on June 9 will be hosting a Singles-Mingle, Wine-tasting and Taste of Roscoe Village event at Vintner's Cellar Winery at 2048 W. Belmont.

Carol Weiland will explain how wine is made, the different kinds of wine, and give a tour of her micro-winery. All the while guests will taste wine, eating appetizers (from local Roscoe Village Restaurants) while getting to know one another. We will also have Salsa lessons by Windycitydancers.com, sample dishes provided by Roscoe Village restaurants, and team games like bean-bag toss and mini-golf baseball.

Socialeventclub.com also plans to offer social club outings which will include co-ed softball, flag football, dinner boat rides, plays, movies, art shows, Halloween parties and much more. Join Mary Sargent every month for great events, parties and outings.

We expect this to be the perfect place for friends to meet new friends, couples to meet other couples and singles to meet new people. Singles-mingles events will feature team games that involve team-switching which can be used as a non-threatening speed dating tool.

For more information, to sign up or view upcoming events, please visit www.socialeventclub.com, visit our Meetup Group at <http://adventurers.meetup.com/83/calendar> or email mary@socialeventclub.com.

We look forward to seeing you there.
